

MAKE YOUR MARK ON THE F-35

Fueled by innovation, talent, and ambition, the Air Force Life Cycle Management Center is seeking civilian professionals for the F-35 Lightning II Program headquartered in Arlington, VA.

Working alongside Navy, Marine, and nine partner nations to assure air dominance for years to come, the benefits and rewards of being part of this exciting and challenging program are unparalleled.

We are anxious to identify and hire top civilian talent in Logistics, Financial and Program Management, Engineering, Contracting, and IT.

Hiring Event May 22-24

1550 Conference Center in Arlington, VA
